“ *To my dearest friend Angela.*

I know how deep your loss is and how much you loved your mother and how much she loved you. You were her strength and you had such courage to be there for your wonderful mother and allow her to leave you to be with your father and God even when it meant you would no longer have her here with you.

Take strength in the courage you have shown Angela. You are a wonderful daughter who cared so much and I admire you for giving 20 years of your life so your mother would be cared for and so loved by you. She is at peace now and her memories will be in your heart forever.

*Our deepest condolences and love
