“ *Deanna, children & grandchildren, So sorry to learn of Randy's passing. I remember when you and your daughter worked on my house by the old high school, you talked about how diabetes was such a killer in the McFarland family. That was 20 years ago and I'm so glad you had all those years with him. We're the "old" generation now with most of our parents and their generation gone for years. May precious memories bring a smile to your face and may God draw near to comfort and strengthen you. '69 Classmate, Carla Fleming*
