“ I was a classmate of Roberta's and in her group of friends all through school. I am so sorry to hear of her passing. Roberta was always so much fun, always keeping the girls in laughter at bunk parties. She was full of life, loved to dance and was the first to learn all the new dance moves. After marriage and having children our group would all get together with spouses at Lake Fisher for a potluck and a night of fun and laughter. My thoughts and prayers to Roberta's family.
