“ *I met Sandy when she was at my father and Carol's home in Colorado Springs. She and I had been communicating since her sister Carol went into the nursing home. I had not talked to her since August and just realized that it had been awhile. I asked the nurse at the nursing home if Carol had gotten a call lately and she said no. I am so sorry to hear that Sandy has passed. I won't tell Carol as she no longer remembers anyone including me. She is not doing well either at this time and I guess she is now the last of her siblings .*

Again I am sorry for your loss. I will miss talking to Sandy.
