“ *I had Mrs. Limkeman in the 5th grade I still remember her teaching us kids long division and challenging us to other competitions on the board and in class. I did so poorly on a test one time she told me to take it home and have a parent sign it!!! ...Of course I didn't, but my parents still found out a few days later and I was in trouble.... Needless to say, I did much better on every test from that point on. She was a wonderful teacher always professional & always cared about her students. I'm sorry to hear of her passing, my most sincere condolences to the family.*

“ I was so sad to hear of the passing of my cousin Sharon. The last time I saw her was at Debbie's funeral and I know she was struggling with health issues. Growing up I spent time at the Wildrick home and loved playing outside and watching the family play softball. Sharon was a sweet and kind person. As a young girl I admired Sharon, I loved her blonde hair and always thought she was so beautiful and smart. In watching the video tribute I remembered being at her wedding, seeing the pictures of Wendy made me smile. I have been blessed with amazing cousins and am so thankful to have good memories of our times together. With much love to you all...Tina Heagy Morris and Weldin Morris.
