“ *Sharon was such a wonderful giving soul. She would come work with a client in a home I worked in and she would sometimes bring items for everyone in the home to enjoy. One day she brought items for making our own pizzas. She even included me and made sure it was something I could eat due to my special diet. It was so fun to spend time with all the clients and her. After our creations were made and eaten we played games together. It has probably been one of my favorite days of work and favorite memories of Sharon. She always thought of others and never expected anything in return. She will be missed for sure. Rest in peace Sharon.*

“ Sharon was one of the best teachers I have ever had the pleasure to work with. Besides that she was a precious person to everyone that met her. I was sitting on the floor in my classroom with a child that was screaming loudly. Sharon simply sat beside me and began to carry on a conversation with me as though nothing was happening. The child soon quieted and fell asleep on my lap. That was Sharon!
