“ I First met Sue when we worked at Gas and More. Both of us were not scared to speak our mind and both worked well together. She was a special lady who I got to know and appreciated. I was saddened to hear that Sue was ill and more so saddened to hear her passing.

“ Sue and I worked together at school and shared many great times with friends. She drew strength from her favorite Bible verse.  
*Isaiah 40:31 But those who trust in the Lord for help will find their strength renewed. They will rise on wings like eagles; they will run and not get weary; they will walk and not grow weak.*  
Whenever Sue and I would see an eagle we would shout with praise, "Thank you Jesus!"  
On her last Sunday worship, the choir sang the hymn "He Will Raise You Up On Eagles Wings". After service was over and we left the building... an eagle flew over the church!  
For the rest of my life.... whenever I see an eagle I will always think of my dear friend and remember what I must say.  
I will forever miss her.....
