“ Aloha! A few years back, I had been searching all over the internet looking for information on Tonya Cain. I attended Eugene Field Elementary School with Tonya from 1975 to 1978 and at Washington Junior High School (both in Rock Island, IL) from 1978 until 1980. After that, we had had written correspondence with each other until 1982 during high school. Then, we lost touch with one another, and we never saw one another again. Tonya was a sweet person who could light up a room with her presence and could make you smile. My time with Tonya was truly special and we saw a lot of each other during our elementary & junior high years. Years later, after I moved to Hawaii in 1991 and afterward, I began thinking about and wondering what Tonya was up to at the time. It is here on the internet where I had found out about her passing years later. I send all my condolences to her family who may see this message. Please know that Tonya was well-loved by me as well as by those around her. Mahalo!

“ I first became acquainted with Tonya while a student at Eugene Field Elementary School in Rock Island, IL around the Fall of 1975. I was in the fourth grade @ the time, after having just transferred to Eugene Field from Ridgewood Elementary. My association with Tonya continued onward through Washington Junior High School (also in Rock Island) through 1980. After continuously corresponding by writing to each other afterward until 1982, we lost touch with each other. I am just now finding out about Tonya's passing. She'll be missed. R.I.P.. :(
