“ *I just found out about Virginia's passing. I'm so sorry I wont be able to attend her memorial. She was a tremendous lady, full of spunk and fierce love for her family and friends. She could make me laugh like no other, especially when she was giving Lavern a hard time. I loved when she would call him "jug head" with that loving twinkle in her eye! They loved each other so much! She called me their "brat" while he called me their "angel"! I'm sure they were both right! They were like a second set of parents for me. They never missed a game or an important event in my life. I will love them forever.*
