

## William "Bill" Augspurger

March 20, 1933 - January 13, 2021

William (Bill) Harold Augspurger, the son of Harold and Bonita (Blasi) Augspurger was born March 20, 1933 in rural Pulaski, Iowa, where he grew up with sisters Bonnie and Virginia. He entered Heaven on January 13, 2021, from complications of Lewy Body Disease.

Bill attended local schools in the Pulaski area and graduated from Pulaski High School in 1951. He served in the Air Force, stationed in Chandler, AZ from 1952 to 1956. It was here that Bill met his first love, Jean Maynes, a young woman from Bennington, Vermont, and their adventure began. Returning to Iowa, Bill and Jean settled on the family farm and then moved to the house that Bill built in Bloomfield and created a wonderful life for themselves: they sailed, traveled, entertained, made friends, read, enjoyed University of Iowa sports, and raised their children.

After the untimely death of his first wife, Jean, Bill found love again with JoAnn Alderton who he married March 20 of 1992. Together they created a new adventure and embraced their love for genealogy, sailing, gardening, traveling, and family. They would often take off to explore graveyards and visit relatives, traveling all over the U.S., Canada and even Germany.

Along with farming Bill was employed as a field appraiser for the Davis County Assessors' office. He had an artistic and creative soul and there was nothing

he couldn't learn to do, build, or repair. Bill didn't just dabble, he studied and learned, and applied his skills. He built sailboats, sourcing lumber locally and drying it in his home and melted lead over the kitchen stove for the keel. He used his artisan talents to build guitars and furniture, construct a house, heat a pool using solar energy, and took up pottery, building a kiln and wheel. He could restore a wrecked car one week and be baking bread or making wine the next from his home-grown grape vines. Blessed with a green thumb, his garden was his pride and joy where he enjoyed his nurturing talents. Bill was always learning and succeeded at anything he set out to do. Bill's interests were as varied as his skills, he enjoyed painting, sailing, traveling, had a passion for genealogy, reading, photography, cooking, dancing, and music. He was truly a renaissance man of few words and many talents.

Bill belonged to the American Legion, Masonic Lodge, Bloomfield Methodist Church, Ottumwa Civil War Roundtable, Lions, Rathbun Yacht Club (Served as Commodore), and Bloomfield City Council

A quiet and gentle man, Bill had a twinkle in his eye and a wonderful sense of humor, and he will be greatly missed by his wife, JoAnn, his children and their families, Kip (Jane) Augspurgen, Morgan (Kyle), Tom (Allison), Meredith (Matt); Kim (Pat) Mescher, Bill, Danielle (Fiancé Chris); Steve (Julie) Augspurgen, Claire, Katie; Dave (Monica) Augspurgen, Will, Nate; step-children David Alderton, Skyler (Adam); Brian (Billy Jo) Alderton, Zach (Kayla), Briana (Lawson); and 11 great grandchildren, his sisters Virginia Berryman and Bonnie (Darrel) Payne and numerous nieces and nephews.

Bill was preceded in death by his parents, his wife Jean, infant daughter Katherine and his brother-in-law Donnel Berryman.

The family would like to acknowledge the care, support and guidance provided by Home Instead and Hospice. Memorials can be made to the

Pulaski Mennonite Church, the Bloomfield Library/Genealogy, and the Bloomfield Methodist Church.

A private family funeral will be at 2:00 p.m. on Sunday, January 17, 2021 at the Pulaski Mennonite Church with Pastor Ron Wenger officiating. The funeral will be live streamed on the Wagler Funeral Home Facebook page. Burial with military rites performed by Reed-Whisler Post #78 of the American Legion will be at the Pulaski Cemetery. A viewing without the presence of family will be from 1-1:30 p.m. on Sunday at the Church. A mask is required for all services.

“ I didn't personally know him or the family he raised except through his grandkids and the friendship extended between our children. Based upon being his son's neighbor, my experience tells me the apple doesn't fall far from the tree. Bill must have been an absolutely wonderful soul who kept busy tinkering in application of his many skills & talents in pursuit of his interests. He and Joann lovingly opened their home to guests in being exceptionally patient and thoughtful hosts of activities throughout the years. It is with deep sympathy that I offer my condolences to his widow and the whole family he leaves behind. May you bask in the pleasure of the memories you fondly hold close to your heart, and May God continue to comfort and bless you all with health and joy.

“ A great deal of my first 20 yrs were spent on Deborah Dr w/ the Augspurges. My most cherished memories were pulling around the corner & seeing the gigantic sailboat Bill was working on. He always had a smiling face every time I came & went. I learned to love Bill's crepe's he made for breakfast (now make them for my own family). Watched HBO come on the air, learned to love music in his basement, tailgating on the hill behind Melrose Market on Fall Saturdays. pool parties as a teenager. Bill & Jean were always great hosts. Bill was always positive, patient & had a smile on his face at all times. And I've never witnessed anyone more skilled at so many things in all of my life. From his kiln out back, helping my best friend & son Dave w/ his car projects & of course the sailboat he worked on I think my entire childhood! When I get to heaven, I fully expect to see Bill working on that boat w/ a big smile on his face! So many great memories. You raised a great family & have so much to be proud of. God bless the Augspurger family. Cherish your great memories. My prayers are with you. - Greg Schooley

“ I said a prayer to my father today. I asked him to look for a kind gentle quiet man with an infectious smile named Bill who just recently arrived. I asked my father to help him find the Hawkeye fan section in heaven. Heaven's gain is our great loss, but we thank him for leaving us his great family that we love so much.

“ Bill or Wilhelm, as my dad always called him, was a dear friend of my parents. I recall many stories of their fun times together. I'm happy to say I still have a beautiful set of salad bowls that he made for our family. Mom cherished them as do I. Hold tight to each other and your wonderful memories..... sending hugs
